

## PRESS RELEASE

For immediate release

Zurich, 13<sup>th</sup> September 2018

### **Humatica advises Summa Equity on their recent investment in Lakers Holding AB**

Humatica AG was retained to advise Summa Equity on its majority investment in Lakers Holding AB (“Lakers”), a Nordic group operating within the water, wastewater, building services and industry segments. Lakers was founded in 2016 and offers maintenance, service, development and technical consultancy for pumps, pumping stations, electrical motors and related components. The company has 130 employees across Norway, Sweden and Denmark with a revenue of SEK 280m.

Humatica provided organisational due diligence services for this transaction.

### **About Humatica**

Humatica is a specialist consultancy helping private equity investors and portfolio company management teams to increase value through organisational excellence. The firm applies hard-facts analytics to deliver quantified transparency on the behaviors which drive value growth, and assists leaders with implementation to realize bottom line benefits.
